

BE A BLESSING

"When we have been given gifts, one way for us to show that we are thankful;
is to help others who are in need" – Marlin Jackson

MISSION

We help deserving but underserved youth develop the social and emotional qualities needed to be successful in life. Through incentive-based programming, we encourage students to reach their full potential both in the classroom and in life. We use education, athletics and wellness activities as the foundation for youth development.

HOW WE DO IT

By guiding youth through character development, and self-exploration programs along with physical wellness activities, we develop well rounded individuals that can contribute to society in a positive manner. Exposing students to different environments and rewarding positive behavior will help reinforce the teachings of our programming.

BE A BLESSING

An event based program that supports families with students who have participated in one of the other programs. Be a Blessing is intended to help families in their time of need. Be A Blessing is all about reaching out a hand to those in need, helping to encourage children to stay on the right path and helping parents provide what their children need. Whether it be through field trips that expose children who participate in our programming to new environments, or providing basic supplies needed for back to school, or providing a memorable Christmas experience for a child or family that wouldn't have one otherwise. Simply put, our intention is to Be A Blessing to those in need!

FIELD TRIPS

TOY DRIVES

CHRISTMAS PARTIES

TOY DRIVE

This year, we will Be A Blessing by collecting toys for 45 underserved Sixth graders at Musser Elementary in Sharon Pa (Marlin Jackson's Childhood School). We will also collect toys for 300 underserved K-3 scholars at the Earl and Veronica Phalen Leadership Academy of Indianapolis, In. All scholars are currently participating in Fight for Life's Building Dreams program. We will collect toys, and accept monetary donations. Toy Collection will start on Nov 14, and run through Dec 14. Visit FFLF.org and click on the events tab for collection sites

FIELD TRIP

The Fight for Life Foundation will host sixth graders from Musser Elementary of Sharon PA the weekend of Dec.14th. This is the Elementary school of former Indianapolis Colt Marlin Jackson; students from this school have made the trip to Indianapolis for the past 6 years as a part of FFLF's Be A Blessing program. These children come from an underserved environment that is filled with drugs, neglect and a generational curse of being born into unfair circumstances.

We strive to encourage and expand the view of these children by exposing them to aspects of life they've only seen on T.V. Most of these children have never left the city of Sharon, PA.; this may be the only time they do so. This is why this trip is not only important to them, but to the entire elementary school. You see, every child is waiting, bidding his or her time until they reach the sixth grade and get to experience a different view. The view that we provide, a view of hope of a better life, a view of inspiration so they dream big and not let their environment dictate who they become in a negative way. Through experiences most take for granted, Colts games, Latitude 39, Microsoft store visit, Christmas gifts and hotel stays; we create life changing moments that inspire kids to reach beyond the confines of their environment. **This trip is simply a blessing!**

SPONSORSHIP LEVELS

PLATINUM \$2,500

- 1 Page ad in photo circulation on FFLF.org
- Presenting sponsor recognition on all Toy Drive marketing materials
- Logo placed on Be A Blessing Sponsorship banner on FFLF.org

GOLD \$1,000

- Logo placed on Be A Blessing sponsorship banner on FFLF.org
- Recognition of Gold sponsorship under "sponsors" tab on FFLF.org
